LATE NEWS

The Israeli people around the world declare economic and financial war against Germany. Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler's people. - **Daily Express, March 24, 1933.**

"All Jews world wide -- declared war on the Third Reich." **The London Daily Express, Front Page Story, 3/24/1933.**

"Judea declares War on Germany." **Daily Express, March 24, 1934.**

"The millions of Jews who live in America, England and France, North and South Africa, and, not to forget those in Palestine, are determined to bring the war of annihilation against Germany to its final end." **The Jewish newspaper, Central Blad Voor Israeliten in Nederland, September 13, 1939.**

"Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the

complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child." **Jewish professor A. Kulischer, October, 1937.**

"Kill the Germans, wherever you find them! Every German is our moral enemy. Have no mercy on women, children, or the aged! Kill every German -- wipe them out!" **Lya Ehrenburg, Glaser, p. 111.**

"Step by step, I have arrived at the conviction that the aims of Communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleague, condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we, {England}, declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans' {Jews} around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the co-operation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I

feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentless pursued now, only under a different label." **Ashamed and Humiliated The British Attorney General, Sir Hartle Shawcross, said in a speech at Stourbridge, March 16/84, AP.**

"Our fight against Germany must be carried to the limit of what is possible. Israel has been attacked. Let us, therefore, defend Israel! Against the awakened Germany, we put an awakened Israel. And the world will defend us." **Jewish author Pierre Creange in his book Epitres aux Juifs, 1938.**

"Germany must be turned into a waste land, as happened there during the 30-year War." **Das Morgenthau-Tagebuch, The Morgenthau Diary, p. 11.**

"The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world. There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of Germany..." **Valadimir Jabotinsky, in Mascha Rjetsch, January, 1934.**

Each of you, Jew and Gentile alike, who has not already enlisted in this sacred war should do so now and here. It is not sufficient that you should buy no goods made in Germany. You must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronises German ships or shipping.... we will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends.

- **Samuel Untermeyer, in a Radio Broadcast on WABC, New York, August 6, 1933. Reported in the New York Times, August 7, 1933.**

Samuel Untermeyer was a Jewish leader and close friend of presidents Wilson and Roosevelt. **Bernard Baruch** - Jew - was a presidential adviser to Wilson, Roosevelt and Truman.

Joining with Samuel Untermeyer in calling for a war against Germany, Bernard Baruch, at the same time, was

promoting preparations for war against Germany. 'I emphasised that the defeat of Germany and Japan and their elimination from world trade would give Britain a tremendous opportunity to swell her foreign commerce in both volume and profit.' - **Baruch, The Public Years, by Bernard M. Baruch, p.347.**

"...Jabotinsky insisted that all energies be expended to force the Congress to join the boycott movement. Nothing less than a 'merciless fight' would be acceptable, cried Jabotinsky. 'The present Congress is duty bound to put the Jewish problem in Germany before the entire world...(We [Jews] must) destroy, destroy, destroy them, not only with the boycott, but politically, supporting all existing forces against them to isolate Germany from the civilized world...our enemy [Germany] must be destroyed." **Speech by Vladimir Jabotinsky, a Polish Jews, on June 16, 1933.**

For months now the struggle against Germany is waged by each Jewish community, at each conference, in all our syndicates, and by each Jew all over the world. There is reason to believe that our part in this struggle has general value. We will trigger a spiritual and material war of all the world against Germany's ambitions to become once again a great nation, to recover lost territories and colonies. But our Jewish interests demand the complete destruction of Germany. Collectively and individually, the German nation is a threat to us Jews.

- **Vladimir Jabotinsky, founder of the Jewish terrorist group, Irgun Zvai Leumi, in Mascha Rjetsch, January, 1934 - quoted in Histoire de l'Armée Allemande by Jacques Benoist-Mechin, Vol. IV, p. 303.**

Hitler will have no war (does not want war), but we will force it on him, not this year, but soon.

We Jews are going to bring a war on Germany.

Op-ed calls on Israel to nuke Germany, Iran '20-30 nuclear bombs will assure the job gets done,' opinion piece on right-wing Israel National News site says

Right-wing media outlet Israel National News published an opinion piece Tuesday calling on Israel to launch nuclear bombs at Iran and Germany, only days

after the outlet came under fire for publishing a piece accusing a war widow of killing her husband over her pro-peace views.

In the opinion article published Tuesday, the author claims that only through nuclear annihilation of Iran and Germany, with 20 or 30 nuclear bombs each, can Israelis prevent the state's destruction.

"If Israel does not walk in the ways of God's Bible," author Chen Ben-Eliyahu wrote in Hebrew, "it will receive a heavy punishment of near complete destruction and doom and only a few will be saved."

One of Israel's missions is to remember the crimes of Amalek, a tribe representative of pure evil in the Bible, whom Jews are commanded to obliterate. Among those descended from the band, the author writes, are Iranian leaders Ayatollah Ali Khamenei, former president Mahmoud Ahmadinejad and current President Hassan Rouhani.

"They don't miss an opportunity to discuss the need for the annihilation of Israel," he wrote.

To combat this Israel must respond in kind, Ben-Eliyahu declared. "To an existential threat we must respond with an existential threat," he wrote, "not with speeches in Congress. We must make it clear to the Iranians that Israel will wipe out their nuclear program and Tehran and Isfahan as well."

"If [an enemy] rises up to destroy you, rise earlier to destroy him: twenty, thirty nuclear bombs will do to assure the job gets done," he continued.

He also called on Israel to remember its near destruction at the hands of the Nazis and exact revenge on Germany, now a staunch ally of Israel. When the Messiah comes, Ben-Eliyahu wrote, Israel will reverse the Final Solution. "Twenty, thirty atomic bombs on Berlin, Munich, Hamburg, Nuremberg, Cologne, Frankfurt, Stuttgart, Dresden, Dortmund and so on to assure the job gets done. And the land will be quiet for a thousand years," he wrote.

Israel National News refused to comment on the website's decision to run the op-ed.

On Sunday, the outlet came under fire for publishing an opinion piece by Hagai Huberman in which he lashed out at Michal Kastan Kedar, whose husband was killed during Operation Protective Edge in Gaza last summer, and who addressed the crowd at a left-wing rally in Tel Aviv on Saturday night.

"You lost your husband, lost your hope for a different, better life, only because 10 years ago there were people who listened to opinions such as yours, listened to aging generals such as [ex-Mossad chief] Meir Dagan, who stood by you on that stage," he wrote in the piece headlined "Kills her husband and cries that she's a widow."

On Monday, Huberman said he would consider apologizing to Kedar.

US Stuxnet leak investigation stalls amid Israeli concerns

Inquiry into James Cartwright's role in releasing information about computer virus hindered by fears of deepening US-Israel rift

By **JTA and Times of Israel staff** March 12, 2015, 12:36 am

Israel's role in the cyber-sabotage of Iran's nuclear weapons development could hinder a leaks prosecution. On Wednesday, the [Washington Post reported](#) that the inquiry by the US government into whether James Cartwright, a retired general in the US Marines, leaked the information about the Stuxnet virus to The New York Times was stalled, among other reasons, over fears that moving forward would expose Israeli secrets.

The computer virus, first discovered in 2010, sabotaged uranium-enriching centrifuges. It has been widely attributed to the United States and Israel, working in tandem, but neither country has acknowledged responsibility.

If the US decides to move forward with the case despite Israeli concerns, it may worsen already frayed relations between the country, particularly in light of Prime Minister Benjamin Netanyahu's controversial address to Congress earlier this month, in which he warned of a 'bad' agreement taking shape between the US and other Western powers and Iran regarding its nuclear program. US officials also fear revelations in the case may complicate the negotiations.

The Justice Department did not make clear whether it plans to proceed with the case against Cartwright, who helped designed the cyber-campaign against Iran under President George H.W. Bush's administration.

"There's a fundamental tension in cases like this between the needs of a criminal prosecution and the needs of national security," Jason Weinstein, a former deputy assistant attorney general in charge of the Justice Department's Criminal Division, told the Washington Post.

"Where that comes to a head is when prosecutors want to use evidence in a courtroom that is highly classified and very sensitive."

Under the Espionage Act, prosecutors may file charges against Cartwright within ten years from the date of the alleged crime.

You can fight online hate

By Andre Oboler, March 12, 2015

An advertisement for the Online Hate Prevention Institute. The top half features a large, stylized text 'Fight Online Bad Guys make a real world impact!' in white on a dark blue background. Below this, a man in a light blue shirt and dark pants stands on a grassy hill, looking out over a landscape. A red superhero cape is draped over his shoulders, blowing in the wind. The bottom left corner contains a circular logo with the text 'FIGHT AGAINST HATE'. The bottom right corner contains text: 'Join an exclusive team in a 24 hour, in-person, cyber-warfare operation against antisemitism', 'Limited places This weekend Ages 18-35 Apply now', and 'Online Hate Prevention Institute'. The bottom center has the text 'apply now at fightagainsthate.com/crystal'.

This weekend a group of young Jews in Melbourne, aged 18 to 35, will spend 24 hour at a cutting edge event tackling online antisemitism in a real and practical way.

Experts from the Online Hate Prevention Institute will provide training, and work with participants to track down online antisemitic content in social media from the far right, the far left, antisemitic terrorist groups (e.g. Hamas), and more.

The items that are found will be reported to OHPI's "Fight Against Hate Software".

The collated data from this event will be used for a major Israeli Government published report for the Global Forum to Combat Antisemitism.

The report will highlight the problem of antisemitism across social media sites, and the difficulties is getting it deal with by platform providers in a timely manner. Participants will also hear from guests speakers around the world via Skype and enjoy plenty of food, including a kosher pancake breakfast. This weekend is also the "In One Voice" festival, and participants will take a break from tackling the dark side of the Internet on behalf of the community to enjoy the festival.

Places are still available to participate in the event and make a real difference in the fight against global antisemitism. Australia may be on the other side of the world, from the deadly events in Europe earlier this year, but we have some of the leading global experts in tackling online antisemitism, and this is chance to join a world leading effort on the cutting edge of the fight against the online hate that fuels such violence.

Applications can be make at, but with the event fast approaching, best apply right away:
